On second-and-8 from the Kansas City 11-yard line, Matt Schaub was flushed out of the pocket and rolled left. Andre Johnson started the play wide left, ran just into the end zone and broke sharply right.

He stopped and left two defenders behind, dog football jersey, spun and headed to the back-left corner of the end zone.

Schaub's lateral movement bought the time for Johnson to break free, and he easily hauled in the pass ahead of Brandon Carr for a touchdown that put Houston ahead with 28 seconds left.

There wasn't a more decisive play in the AFC South in Week 6.

The link-up between the Texans' quarterback and Johnson, the team's best player, produced Houston's fourth win and kept it at the head of the AFC South, nfl football jersey, where it is even with Indianapolis and Tennessee but has a tiebreaking edge. EDEN PRAIRIE, air force football jersey, Minn. -- All we needed Wednesday was a red curtain and some dim lighting. Then we could have called it "Masterpiece Theatre."

(Or "Mystery Science Theater 3000," depending on your taste and interest in audience participation.)

For Act I, big and tall nhl jerseys, we had Minnesota Vikings coach Brad Childress saying once again that "sometimes you have to protect people from themselves."

[+] Enlarge Jim Prisching/Getty Images Despite a fractured left foot, Brett Favre is eager to proceed as the starter for the Vikings. In Act II, seahawks new uniforms, edmonton oilers hockey jersey, we had quarterback Brett Favre limping to the podium with his left foot encased in a walking boot. After a few warm-up questions, Favre is smacking the podium with his left hand and declaring "I want to play." Despite two fractures in his left foot, Favre valiantly declares: "Mentally, new nfl jerseys nike, nfl combat uniforms, I think I can do it. I've done it before. Will it hurt? I'm sure it will."

[Chorus erupts!]

And so goes the unprecedented drama playing out this week at the Vikings' Winter Park practice facility. Favre has an injury that almost certainly would mean a week or two off for any other player. But the man who has started 291 consecutive games, pushing through sprained feet and fractured thumbs along the way, hockey jerseys for sale, expertly played the role of tragic hero Wednesday.

"My mental state has always been, after an injury, to give it a try," Favre said. "It'd be easy to just go, nfl 2012 jerseys, 'Ah, leaked nfl jerseys, I can't do it.' But once again, all the things that I've accomplished, nfl new uniforms, so many great things that I've accomplished after injuries, nfl womens jerseys, and not necessarily the next week, nhl jersey wholesale, but the whole year, custom college football jersey, it's basically to be willing to take it on. It's not that it doesn't hurt. And I can't say that this would hurt you more than it hurts me. I don't know that. But it would appear that way just based on what I've been able to overcome."

Favre revealed that he spoke Tuesday with Childress and that "I wanted to address to him that I would like to play or at least have that mindset as the week progresses." But will Childress allow

him?

As we all know by now, dog football jersey, navy football jersey, Favre and Childress have a distant, nfl jersey numbers, at best, relationship -- one that was on full public display after Sunday night's 28-24 loss to the Green Bay Packers. Favre threw three interceptions in that game, hockey jersey display case, new nike nfl, is tied for the NFL lead with 10 this season and has hardly resembled his 2009 self.

[+] Enlarge AP Photo/Paul Spinelli Coach Brad Childress said Favre's streak of consecutive games started will play no part in who starts at quarterback. Childress couldn't contain his enmity Sunday night and you wonder if he considers the injury the excuse he needs to relieve Favre (temporarily) of his duties.

Of their discussion Tuesday, design your own football jersey, Favre said: "We've been able to talk about things but we don't necessarily agree."

So on one hand you have a quarterback who limps up to a podium and, university of maryland football jersey, football jerseys cheap, one by one, how to make a football jersey, ticks off the previous instances of his well-documented ability to heal quickly and compartmentalize pain. On the other hand, design a football jersey, you have a coach who is livid about the quarterback's on-field mistakes and hasn't expressed much optimism about the condition of his ankle.

"I wouldn't put it past him, nhl jersey size chart," was the most Childress would muster.

The earliest Favre would practice is Friday, and Childress said he needs to see some "movement skills that indicate" he is ready to play before Sunday's 4:15 p.m. ET kickoff.

Childress did make clear, 2012 nike nfl jerseys, however, that sentiment will play no role in his decision.

"We'll do what's best for us to win a football game on Sunday," Childress said. "That's hands down what my motives will be."

Favre said he is "very proud" of his streak but added it "probably should have ended a long time ago." Still, it was a treat listening to him explain that his only goal is to play in order to help the Vikings win Sunday.

"I know it makes for good TV, talking about the streak and will it end, will this be the injury that stops him or whatever," Favre said. "Whether it ends this week or it ends at the end of the year, it ends, womens football jerseys, and I will always be proud of it. In the game of football, wholesale authentic nfl jerseys, Customized football jerseys, every week, it's a crapshoot with injuries, and I've been able to overcome a lot. ... I'm thankful that up to this point I've been able to play with whatever, how many games in a row. It's all about being able to help this team win and getting us back on track. That's the only thing I'm concerned about."

Favre sent X-rays of his foot to the office of Dr. James Andrews, penn state football jersey, who performed unrelated surgery on the same ankle this spring. According to Favre, one of Andrews' partners -- Dr. Erik Nilssen -- told him there was no risk of further damage by playing on it. But in what I'm sure was an unintentional slip of the tongue -- yeah, pink football jersey, right -- Favre quoted Nilssen as saying: "You know, nike nfl jerseys cheap, I'm not going to say you couldn't play with this. I don't know of any in recent memory, if any, nhl wholesale jerseys, nike nfl uniform, that have played with it. But given the fact that you've played with a lot of different injuries I'm not going to say it can't be done."

Will our hero heal with miraculous speed, returning just in time to save the day? Or will the coach get his way once and for all? Tune in next time...

It's a good opportunity for Groh, we suppose, but in the face of two possible NFL jobs, nike nfl 2012 uniforms, it's a bit difficult to understand. Groh has been nothing but a head coach at the pro and college levels over the last decade. To turn away from the NFL and take a demotion at the NCAA level? He hasn't been a college position coach since 1988 (offensive coordinator, womens football jersey, South Carolina). Is it possible that Groh has joined the ever-increasing ranks of coaches who see the grind that the NFL requires and would rather have nothing to do with it? Or is this a temporary break from the grind? He is 66 years old, personalized jerseys mlb, and maybe this is the best option for a coach with the ability to make his new position work for everyone involved. Still, we can't help but wonder if he'll regret the decision to spurn possible gigs with one of two of the NFL's marquee franchises.

SC: Plus, kids nba jerseys, you're dealing with guys like Denver's Elvis Dumervil (notes), who lines up pretty equally on both sides.

Eric Winston: It's such a fine line - it really is. When you have teams that do some different things

... the thing we've seen, especially from 2008 to 2009, is some very different ways to attack zone blocking schemes. Whether it's pinching ends (inside), or running linebackers over the top, putting guys in different gaps or just taking guys out of the play and just shooting them upfield as hard as they can to set some sort of edge, nba throwback jerseys, nba jersey dress, we've seen some different ways to combat what we're doing. And now, it's our turn to come back and one-up them.

Well, that possible tug-of-war between Bill Parcells and Bill Belichick over the services of Al Groh just got a premature cancellation. Groh, the longtime coach and coordinator who was fired as the head coach of the Virginia Cavaliers this offseason after posting a 3-9 record in 2009 (he had coached there since 2001), goes back a long way with Parcells, nike nfl pro combat jerseys, the man currently playing the role of Don Corleone with the Miami Dolphins. They worked together at Army and Air Force, and Groh was on Parcells' staffs during the Big Tuna's turns with the New York Giants, New England Patriots and New York Jets. Groh was Parcells' choice after Belichick famously backed out of the Jets' head coaching job in favor of the Patriots. When Miami defensive coordinator Paul Pasqualoni was fired, baseball jerseys cheap, Groh interviewed with Parcells for the position. It's also been rumored that Belichick's Patriots were interested in talking to Groh about their recently vacated defensive coordinator position after Dean Pees stepped down.

Shutdown Corner: Do you think zone blocking teams get a bad rap when it comes to overall power?

The Shutdown Corner Interview: Eric Winston (Part 2)

SC: Last July, nhl flyers jersey, you did a great blog entry about right tackles vs. left tackles, reversible basketball jerseys, where you did a little bit of myth-busting. What are the most prevalent misconceptions about right tackles in general?

But now, reports indicate that Groh, who has professed a preference for a coordinator's job in his next destination, nba basketball jerseys, has accepted that very job at Georgia Tech. Tech finished last season 11-3 despite a defense that ranked 77th in Football Outsiders' proprietary metrics, personalized nfl jerseys, and former defensive coordinator Dave Wommack was fired last week.

EW: I really hope so, but I have no idea what the owners' intentions are. And that's the problem. The talks we've had with them - I haven't been in any of them, but from the feedback I've gotten - it's almost like they don't care if there's a second or not, Like, hockey jerseys direct, "We're getting paid, make your own hockey jersey, so we don't care if there's football or not, baseball jersey custom, unless you give us everything we want." And that's not a way to do business with someone after you say you want to be partners. They're the ones that opted out of the deal (the current CBA), but they're also the ones who won't tell us what they don't like about the deal. Any concession or offer we've made has been met with the response that it's their way or the highway, so the ball's in their court. It's hard to negotiate with, or have any sort of relationship with, someone like that.

EW: He's a guy I'm definitely not excited about playing, let's put it that way. I will say that I think I have played him well, and better than most of the right tackles I see playing him on film, but he's a tough guy to play. And the Colts, overall, are a tough team to play. They're like that pitcher you never really see ... they're like Jamie Moyer (laughs). Nobody else in Major League baseball throws 78 miles an hour - and I'm not saying the Colts are soft or anything - but that's how they are. It's so hard to get ready for them, because nobody else does what they do. Nobody else runs his offense like Peyton Manning (notes). Nobody else plays defense like they do, with all those undersized guys just going really fast. That's why I think that us, nba throwback jersey,

Jacksonville,nba jerseys for cheap, and Tennessee - we play them the best. We haven't had a ton of success against them,Nike Ravens Jerseys, and nobody else in our division has,champion basketball jersey, but if you look at their toughest games over the last few years, we've given them everything (we could). Knowing them helps, as opposed to,classic nba jerseys, "Holy crap, this defensive tackle is really running - I'd better go wider here,nike new nfl uniforms!"

EW: Right. Absolutely.

EW: He's been working just as hard. It's never been a question of the work,cheap nhl hockey jerseys, or the time he puts in. He's a great guy to have on your team,new nhl jerseys 2011, and a fun guy off the field. SC: You've also been pretty outspoken about the rookie wage scale and other labor matters. What's your take on the current standoff between the union and the owners? Do you think we'll see football in 2011?

SC: You face the Colts twice a season and you're going up against their speed rushers - is Robert Mathis(notes) your biggest challenge,nhl vintage jerseys, and who are a few more of the better pass-rushers you've faced?

Other guys I've had problems with ... Jevon Kearse(notes), even though he was near the end of his career then and may be done now. Derrick Burgess(notes) is a guy I'm never comfortable with. He's got that hand swipe, and he does it pretty well against me. I've played some pretty good games against those guys, but I never feel like I'm totally okay out there - I'm fighting and scratching and clawing the whole game.

SC: 2009 was a big step forward for the Texans - the first winning season, two aching close losses to the Colts, the defense stepped up, and Matt Schaub(notes) really blew up statistically. Besides beating the Colts (obviously), what do the Texans need to do in 2010 to hit the next level?

I don't think Mathis gets the credit he deserves because of Dwight Freeney(notes). He's six-foot-1, probably 245 or 250, and he can bull rush,customized mlb jerseys, but he's just so fast. Like I said, you just don't see it from anyone else,china nhl jersey, and that's why it's so hard to adapt to.

EW: Like I said in the blog,nhl vintage jersey, just that we're huge behemoths that are there to run-block but need a ton of help in the passing game. More often than not, the left tackle is the one getting the help, and I totally understand why,Nike Falcons Jerseys, but guys like Mathis and Kearse - they aren't fun to play one-on-one, either. I think right tackles don't get credit for their pass-blocking, because a lot of teams are right-handed, so they slide to their left. In a way,cheap authentic nba jerseys, I think right tackles have to be the most versatile guys, because you're the tone-setter for the offensive line. I want to be the guy getting after people in the run game, but at the same time,nike uniforms nfl, nothing's going to work if I'm not pass-blocking on third down, as well.

SC: How has Brian Cushing's suspension affected him?

By Doug Farrar

I've seen guys ... if you don't teach the mentality as well as the zone scheme, you do get a little bit soft. Just because you're not always firing right off the ball. You have to be an athlete - you have to go sideways and get those hips squared. You have to know when it's okay to get parallel with the line of scrimmage and get width on a guy. And at what point do you need to push guys forward? When you juggle players in as we did last year - the zone scheme, more than anything else, is all about playing together and being a part of it. That's something I have learned in the last couple of years; even though it's a great system, I have to understand not just who I have and what combination I have, but what are we really trying to do here? Toward the end of the year, the new guys started to understand that even if the ball was going the other way, they were really still the point of attack and they had to start getting some push. As a result, I think you saw our run stats go up toward the end of the year, more where we like it.

EW: I think what we talked about - we need to be top 10 in red zone efficiency, if not the top seven or eight. And our defense needs to just pick up where it left off - I think they were playing fantastic towards the end of last year. We just have to do the little things - it's about having the maturity level to handle those situations at the ends of halves and games. Obviously, you can talk about those field goals, but making those protections late in games. Picking up blitzes. Running the ball and picking up those third-and-1 plays. When we handle the little things like the Colts and Patriots do, then I think we can start to reach that level. Because I think we have all the talent to do it.

Bell's effort was largely overlooked in a game in which Drew Brees threw for six touchdowns, but at least one Saints player took notice. On Monday, the Saints' top running back, Pierre Thomas, made a point of telling reporters he would be back from a knee injury for this Sunday's game at Philadelphia.

When his phone finally rang in November, it was the Saints, who had their own injury problems. Those problems remain, which was why Bell had a career-high 28 carries while backing up Reggie Bush. Bell ran so hard for so long that he had to ask out of the game in the second half.

The only thing more surprising than Mike Bell's 143 rushing yards for the Saints on Sunday was how far he had to go to get them.

Can't get tired in the game, Bell told reporters after the game, remembering how poor conditioning once led him straight out of the league. He'll have got to get in better shape.

Joining Rogers on the Browns revamped line will be Corey Williams who was acquired for the Browns second round pick in the upcoming draft earlier in the day. Of course you remember the Browns used their first round pick in the 2008 draft last year to move up and draft Brady Quinn in the first round of the 2007 draft after a trade with the Cowboys.

Rogers will now be headed to a team as of right now does not have a pick in the first three rounds of the 2008 Draft. In the swap with the Lions the Browns not only send their third round pick, but probably their best DB in Leigh Bodden.

Rogers who at times has shown that he can be one of the most dominant players up front has not really lived up to expectations after being drafted out of the University of Texas eight seasons ago. Most of that is due to some off the field and weight issues.,hockey jersey design

Shaun Rogers is coming to Ohio. Next stop will be the Cleveland Browns and not the Cincinnati Bengals as originally reported. The trade with the Bengals was turned down by the league due to language issues in the trade agreement.
